

# **POSITION ANNOUNCEMENT**

## **WELDING TECHNOLOGY FACULTY POSITION**

*All applicants must complete a Cleveland Community College application and submit copies of transcripts. (Unofficial and photocopies are acceptable. Official graduate and undergraduate copies are required prior to beginning employment.) Applicants should also submit a letter of application explaining their interest in the position and any additional qualifications not listed on the application form. A resume may be attached but is not a substitute for an application form.*

Appointment Period: Permanent 9-month position.

Salary: Based on Cleveland's current salary structure.

### **Position Summary**

The instructor will teach welding classes during the day in the Comprehensive Education Project at the local prison unit. The instructor will design and prepare projects for lab and shop work; requisition adequate teaching supplies; inventory and order equipment; evaluate and advise students; prepare and update course syllabi; serve on College committees; and participate in professional development activities.

### **Qualifications** *(Show these and related qualifications on application.)*

- Five years work experience in welding or related field required.
- High school diploma required. Diploma or associate degree in Welding Technology preferred.
- Welding certifications preferred.
- Understanding and commitment to the mission of the community college required.
- Teaching experience at the community college level preferred.

### **Application Deadline**

Review of applications begins December 7, 2009 and continues until the position is filled. For application forms go to [www.clevelandcommunitycollege.edu](http://www.clevelandcommunitycollege.edu) or call 704-484-4141. Return applications to:
